INTRODUCTION

The purpose of Direct Second Year Engineering Admission Framework is to allow candidates to do the complete admission process online with least paper work and maximum accuracy. It is built to provide easy, convenient, efficient and reliable access to students for admissions.

Aspiring candidates are required to fill in the online application form, take the printout and submit the duly signed form in person, along with the required supporting documents, for confirmation at the ARC.

Candidates should produce original documents for verification and collect receipt-cum-acknowledgement, signed by the ARC officer. The merit list of eligible candidates for CAP will be displayed on the website as per the schedule.

There will be three rounds of CAP; the first two rounds wherein eligible candidates will fill separate online option forms for respective rounds and the third round will be conducted by way of counseling only for the Maharashtra state candidates.

Once candidate is allotted an institute, he has to report to the allotted institute for admission. According to the preference number allotted to candidate, the candidate can either report to institute or is eligible (according to allotted preference number) for next CAP round as per the note mentioned in allotment print. Reporting to institute as per allotment will be held at institute level according to the schedule mentioned on the site.

STEPS (OVERVIEW)

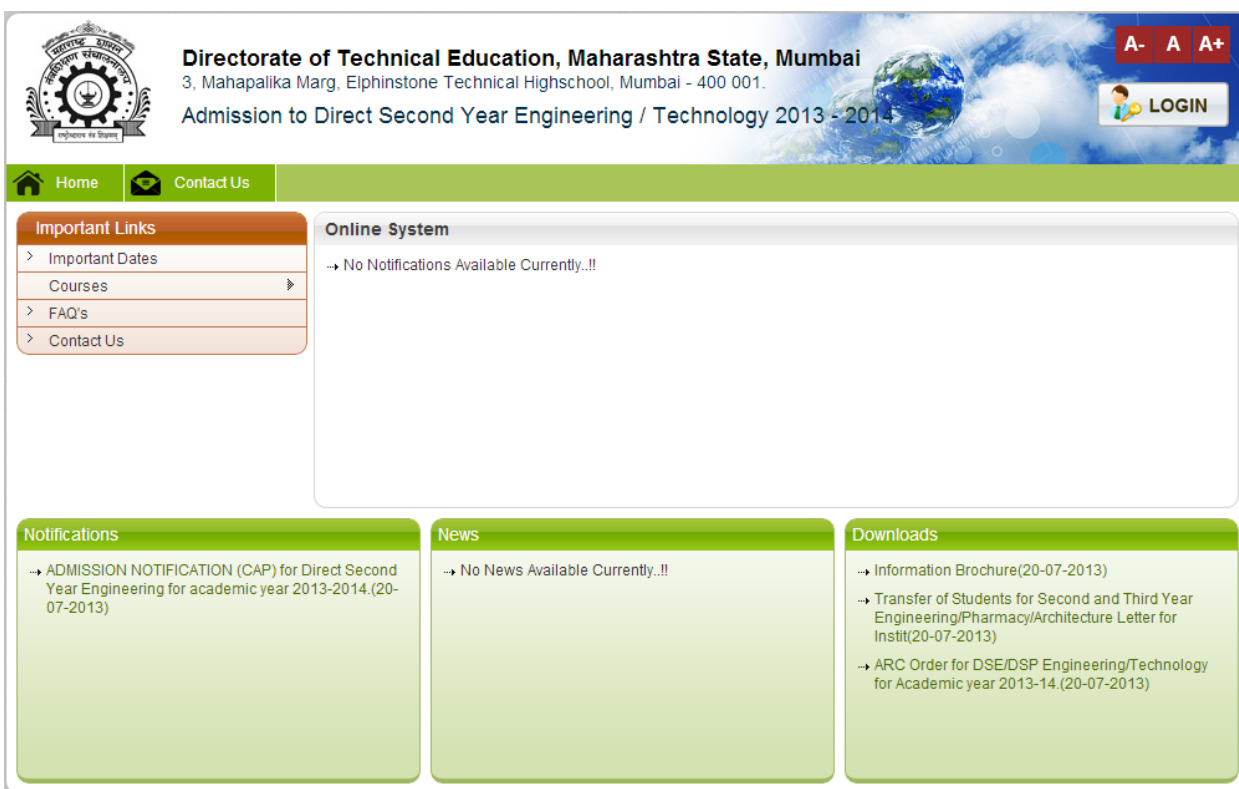

1. Login with your Institute Username and Password.
2. Create your ARC.
3. Login with ARC user name and password
4. Candidate is confirmed by ARC after verification of documents.
5. Provisional merit list of all eligible and confirmed candidates will be displayed.
6. Final merit list of all eligible and confirmed candidates will be displayed.
7. Candidates report to the institute to take admission with their merit numbers.
